

# The Camp Life

- community by heart -

The Camp is brought to you by Tryg & Rainmaking Loft. Our team knows what they are doing. The Camp is Trygs co-work space for startups and is a collaboration between Tryg, an experienced corporate player with 2.7 million insurance customers in Scandinavia, and Rainmaking, one of Denmark's leading facilitators of Entrepreneurship.

## NEWBANKING

«The Camp has an amazing set up, unlike any other co-working space we have ever seen. This co-working community is not just some chairs and tables stuffed in a room, but instead a place where everything is well thought through.» *CEO Christian Visti Larsen*

## QUEUE-IT CCO & CO-FOUNDER CAMILLA VALENTIN

«One of the thoughts behind moving to The Camp, was the opportunity to interact with other entrepreneurs and be a part of the vibrant environment.»

*Digital Marketing Specialist Rihards Savickis*

## CLIMAID

«The Camp has lots of interesting events and workshops to boost our network both among the people who work here, but also among investors and innovators participating in the events.»

*CEO and Co-Founder Søren Andersen*

## ANYWARE SOLUTIONS

«As a corporate co-working space The Camp is connecting startups and corporates in our entrepreneurship-loving communit. After only 5 months, our startup got a partnership with Tryg» *CEO and Co-Founder Morten Bremild*

## UNICONTA CEO ERIK DAMGAARD

«I'm a former Tryg employee, and as The Camp is located at Tryg's headquarter, it offers some great facilities for all the startups such as the canteen scheme, free parking, fair prices etc. These are facilities that are very hard to find someplace else.»

*Director of Sales & Support Jørn Rejndrup*
